Have you ever been faced by the following dilemmas:

**Should I be praying or not praying?**

**Do I need to repeat my fast or ghusl (purification bath)?**

**My cycle has changed due to the pill. What shall I do?**

If so, this seminar is a **MUST** for you.

You will be introduced to the widely misunderstood legal rulings of menstruation etc.

Learning these rulings is fardh upon every Muslimah as their consequence are directly related to matters of prayer, fasting, hajj, marital relations etc.

This is your chance to study with an expert in the field, and have your questions answered.

You will be equipped to recognise common issues, such as continuous bleeding, and deal with them. A unique opportunity in a female-only environment!

**course materials and refreshments provided**
